BRIEF ABSTRACT OF LETTER.

Forwards resolution of the committee passed in their meeting held on the 15th April 1911 & requests sanction of Govt thereon.

NOTES AND ORDERS.

1 The proposal is to add a rule as rule 23 B which are in the nature of directions to insurants - meant to arrest their attention when resolving to nominate. The proposed

rules are merely legal deductions in the mind of certain eventuality happening to nominee.
Hon'ble Rangaswamy Gounder thinks these unnecessary — but the Joint Secy points out that there is no harm in the nominator knowing this. If this is the object in view it is for consideration why this may not be printed as a note under the nomination form itself instead of making it a Special Rule.

Draft 45

9/5 2 There appears to be no need to have
9/5/11 these as rules as they are deterrents
almost a encumbrance. Every person is
expected to know the law. Ignorantia juris
non excusat and so this need not be incorporated
